

Now you have a great way to learn more about Foundations!

The Foundations Workshop is a five hour workshop that provides a practical, how-to overview of Foundations. A Wilson Trainer focuses on the knowledge and skills required to begin implementing the program and familiarize participants with the framework of Foundations instruction.

These workshops are appropriate for teachers beginning to use Foundations instruction in their classrooms, or teachers and administrators interested in learning about Foundations in greater detail.

Workshop sessions are from 9:00 AM to 3:30 PM. Registration opens at 8:30 AM. The workshop fee includes workshop instruction for one day. A continental breakfast is included. Accommodations, lunch, and parking fees are the responsibility of workshop participants. **Registration is on a first-come, first-served basis.**
